FRESH VEGETABLES CATALOGUE

Onion

High-quality red, pink, and white onions sourced from prime agricultural regions in India. Hand-sorted for size uniformity and cured for extended shelf life.

Specifications: Red, Pink & White Varieties | Size: 45mm+ | Packed in 5kg to 50kg Mesh Bags

Potato

Premium fresh potatoes with firm skin and excellent shelf stability. Sourced from optimal farming soils and sorted for uniform grading.

Specifications: Jyoti, Pukhraj & Table Varieties | Size: 45mm+ | Ideal for retail & starch industries

Tomato

Sun-ripened, firm, and vibrant red tomatoes. Carefully harvested and sorted to ensure maximum freshness and transit durability.

Specifications: Hybrid & Vaishali Varieties | Graded by firmness & size | Export Safe Crates packaging

Garlic

Aromatic, multi-cloved white garlic bulbs. Fully cured and sorted to prevent damage or empty cloves, ensuring a strong flavor profile.

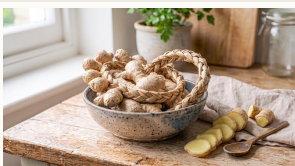

Specifications: Premium White Garlic | Size: 3.5cm - 5.5cm | Packed in ventilated bags

Green Chilli

Fresh, slender, and spicy green chillies. Sourced daily and pre-cooled prior to shipment to preserve crispness and hot flavor.

Specifications: G4, Teja & Jwala Varieties | Length: 6cm - 10cm | Pre-cooled box packaging

Ginger

Fresh and mature ginger rhizomes with low fiber and high essential oil content. Thoroughly washed and dried for clean presentation.

Specifications: Assam & Shimla Ginger | Bold size & mature skin | Packed in 5kg to 20kg gunny bags

Bhindi (Okra)

Tender, bright green, and fiber-free fresh Okra. Sourced from sustainable farms and harvested daily to guarantee snap-fresh quality.

Specifications: Fresh & Tender Okra | Lengthed: 3 to 5 inches | Corrugated export carton boxes

Bitter Gourd

Crisp green bitter gourd featuring deep ridges. Loaded with vitamins and handled gently to preserve skin integrity.

Specifications: Fresh & Crisp | Firm texture | Graded and crate-packed

Bottle Gourd

Vibrant, uniform green bottle gourds with tender white pulp. Sourced from daily farm harvests and handled carefully.

Specifications: Tender & Fresh | Standard straight shape | Individual wrapping option

Carrot

Sweet, crisp, and nutrient-dense orange and red carrots. Cleanly washed, trimmed, and sorted for retail and commercial export.

Specifications: Sweet & Juicy | Cleanly washed & trimmed | Polythene-lined gunny bags

Drumstick

High-quality, straight, and fleshy drumsticks (Moringa). Harvested at optimal maturity to ensure tenderness and high nutritional profile.

Specifications: Fleshy & Straight | Rich in nutrients | Export crate packing

Green Beans

Fresh, stringless green beans. Sourced from organic farms, hand-graded, and packed rapidly to maintain high moisture and crispness.

Specifications: Stringless & Tender | Rich green color | Temperature-controlled transit

Bell Pepper

Glossy, thick-walled bell peppers with a crisp texture. Available in vibrant red, green, and yellow varieties and packed carefully to prevent bruising.

Specifications: Red, Green & Yellow Varieties | Thick-walled & crisp | Foam wrap protection

Lemon

Juicy, vibrant yellow lemons with excellent acidity, carefully graded by size and exported globally.

Specifications: Fresh yellow lemons | Juicy & high acidity | Standard net bag packaging

Leafy Vegetables

Fresh, farm-harvested green leafy vegetables including Coriander, Curry Leaves, and Spinach. Sourced from organic farms and carefully handled to keep them crisp.

Specifications: Spinach, Coriander, Curry Leaves | Crisp & pesticide-free | Ventilated cold chain packaging

Cabbage, Cauliflower & Broccoli

Export-grade fresh Cabbage, Cauliflower, and Broccoli. Harvested at peak maturity, sorted for uniform heads, and packed to maintain firmness and freshness.

Specifications: Cabbage, Cauliflower, Broccoli | Uniform heads & dense curds | Packed in high-durability crates
