SALT PRODUCTS CATALOGUE

Raw Salt

Natural solar evaporated unrefined sea salt crystals harvested directly from Gujarat salt pans. Ideal for industrial and chemical use.

Specifications: *Purity: 96% - 98% NaCl | Natural White Crystals | Bulk Vessel & 50kg HDPE Bags*

Refined Free Flow Salt

Vacuum/mechanical refined edible iodized or non-iodized salt with microscopic anti-caking agent ensuring free flow.

Specifications: *Purity: 99.5% NaCl | Iodized (30 PPM) & Non-Iodized | Consumer packs & 25kg/50kg bags*

Industrial Salt

High-purity industrial grade sodium chloride specifically graded for chlor-alkali, textile dyeing, and chemical plants.

Specifications: *Purity: 98.5% - 99.2% NaCl | Low Calcium & Magnesium | Custom grain sizing available*

[No Image]

De-Icing Salt

Coarse-grade rock and solar salt treated for road de-icing and runway snow clearing in extreme winter conditions.

Specifications: *Coarse Crystal Sizing | Treated with anti-caking | 1 Ton Jumbo Bags & Bulk*

[No Image]

Water Softener Salt (Tablets)

High-density compressed salt tablets and briquettes designed for ion-exchange water softening systems.

Specifications: *Purity: 99.8% NaCl | Dissolves evenly without residue | 25kg poly bags with handle*

[No Image]

Animal Feed Salt

Mineral-fortified animal feed salt and mineral lick blocks formulated for cattle, horses, and livestock nutrition.

Specifications: *Fortified with Trace Minerals | Available in Lick Blocks & Grits | Moisture-resistant packaging*

[No Image]

Pure Salt (Pharma Grade)

Ultra-pure pharmaceutical and food-processing grade sodium chloride adhering to BP/USP international pharmacopoeia specifications.

Specifications: *Purity: 99.9% NaCl | Ultra-low heavy metals | Cleanroom packed in sealed drums/bags*
