FRESH FRUITS CATALOGUE

Mango

World-famous sweet Indian mangoes, including Alphonso and Kesar. Naturally ripened and graded by weight to meet premium standards.

Specifications: Alphonso, Kesar & Banganapalli | Graded by weight: 200g - 350g | Custom foam-sleeve export boxes

Pomegranate

Vibrant red pomegranates with juicy arils and sweet-tart flavor. Graded for skin quality, size, and packaging durability.

Specifications: Bhagwa & Ruby Varieties | Size: 200g - 400g+ | Corrugated boxes with partitions

Banana

Premium fresh green bananas, harvested at mature green stage for export. Ripened under strict controls or shipped green in reefers.

Specifications: Cavendish G9 Variety | Calibration: 39mm - 47mm | Vacuum-packed in 13.5kg boxes

Guava

Fresh pink and white guavas with crisp texture and high vitamin C. Carefully foam-sleeved to avoid transit friction.

Specifications: Taiwan Pink & Allahabad Safeda | Foam-sleeved packaging | High vitamin C content

Grapes

Sweet, seedless green and black grapes. Sourced from premium vineyards, pre-cooled, and packed in consumer punnets.

Specifications: Thompson Seedless & Sharad Seedless | Pre-cooled & sulphur pads | Packed in 500g punnets / 5kg cartons

Pineapple

Juicy and aromatic pineapples, harvested at optimal maturity stages to ensure maximum sweetness during global transport.

Specifications: Giant Kew & Queen Varieties | Crown trimmed / present | Packed in vertical standard cartons

Dragon Fruit

Vibrant pink-skinned dragon fruits with sweet red or white pulp. Handpicked and graded for size, shape, and scales.

Specifications: Red & White Flesh | Weight: 250g - 500g+ | Export-quality partitioned boxes

Watermelon

Sweet, dark green striped watermelons with crisp red flesh. Checked for sound, maturity, and skin thickness prior to loading.

Specifications: Kiran & Namdhari Varieties | Weight: 3kg - 6kg+ | Bulk palletized loading

Muskmelon

Highly aromatic muskmelons with sweet, juicy orange flesh. Harvested at half-slip stage for perfect ripening in transit.

Specifications: Bobby & Kundan Varieties | Sweet orange pulp | Clipped stem and graded

Sapota (Chickoo)

Sweet, granular-textured brown sapotas. Handpicked at peak maturity and packed carefully to prevent bruising of tender skin.

Specifications: Kalipatti & Cricket Ball Varieties | Rich sweet flavor | Hand-packed in small trays

Custard Apple

Premium custard apples with sweet, creamy white pulp and distinct aroma. Handled with extreme care due to delicate skins.

Specifications: Balanagar & Arka Sahana Varieties | Delicate hand grading | Foam sheet layers protection

Coconut Dry

Fully matured, husked dry coconuts with high oil content and thick copra. Graded by size, weight, and water content.

Specifications: Fully matured husked dry | Weight: 400g - 600g+ | Packed in 25-bag mesh bags
